Political Parties

i

Utah state law does not regulate the way that political parties govern themselves. Each party is responsible for creating their own by-laws and nominating procedures.

What is the difference between Partisan and Non-partisan?

Partisan candidates:

If you plan on running as a party candidate and you meet the requirements for the particular office described in the chart on <u>page 4</u>, you must be a member of that particular party at the time of filing your Declaration of Candidacy documents*. To run for federal office, statewide executive, legislative, or the state board of education as a partisan candidate, refer to <u>pages 7-17</u>.

*Some parties may have additional requirements to be eligible to declare as a party candidate. You will want to contact party leaders to ensure that you meet all the requirements.

Non-partisan candidates:

If you wish to not take part in the political party system and you meet the requirements for the particular office described in the chart on <u>page 4</u>, you are able to file a Declaration of Candidacy as an unaffiliated or write-in candidate. To run for federal office, statewide executive, legislative, or the state board of education as a non-partisan candidate, refer to <u>pages 18-23</u>.

Utah Political Parties:

Constitution Party - <u>www.utahconstitutionparty.com</u>; (435) 363-4453 Democratic Party - <u>www.utahdemocrats.org</u>; (801) 328-1212 Green Party - <u>www.greenpartyutah.com</u> Independent American Party - <u>www.utahiap.com</u>; (801) 400-1488 Libertarian Party - <u>www.libertarianutah.org</u>; (801) 613-8034 Republican Party - <u>www.utgop.org</u>; (801) 533-9777 United Utah Party - <u>www.unitedutah.org</u>; (385) 325-1620

How do I join a party or change my party affiliation? Simply fill out a new voter registration form and select the party that you wish to be affiliated with. You can update your voter registration information online at <u>voter.utah.gov</u> or by using a printable form which is available at <u>this link</u>.

Selecting your path to become a candidate

You have several paths from which to select to become a candidate. If you want to be a partisan (political party) candidate, you have three options:

- Participate in your political party's caucus and convention system.
- Gather signatures from voters.
- Participate in your political party's caucus and convention system and gather signatures from voters.

If you prefer not to be a partisan candidate, you can be an unaffiliated candidate or a write-in candidate. An unaffiliated candidate's name appears on the ballot, but a write-in candidate's name does not appear on the ballot. Below is a simple chart that illustrates the basic requirements for each path.

Convention Path

UCA 20A-9-407; UCA 20A-9-408.5

The convention system is one path partisan candidates can take to get their name on the primary election ballot. If you select this path, you must complete 3 steps:

- 1. Get to know the convention system (continue reading this page).
- 2. Declare candidacy between March 13, 2020 and 5:00 p.m. on March 19, 2020 (pages 8-10).
- 3. Attend your party's convention (page 10).

Step 1: Get to know your convention system*

*Each political party will have a unique process. This is a general description of how the process works.

Step 2: Declare Candidacy

UCA 20A-9-201, UCA 20A-9-202, UCA 20A-9-206, UCA 20A-9-407, UCA 20A-9-701

All candidates must declare candidacy with their filing officer. If you choose to gather signatures in addition to participating in your party's convention, you do not need to declare candidacy twice.

Use this chart to determine who your filing officer is:

County Clerk in Resident County	Office of Lieutenant Governor
Utah State House of Representatives	U.S. House of Representatives
Utah State Senate	Governor
State Board of Education	Lieutenant Governor
	Attorney General
	State Auditor
	State Treasurer

When do I declare candidacy?

You must declare candidacy between Friday, March 13, 2020 and ['4'] 5:00 p.m. on Thursday, March 19, 2020*. Late declarations cannot be accepted.

*Candidates for Lieutenant Governor will have different declaration dates. Refer to page 25 for more information about declaring for the office of Lieutenant Governor.

Federal and statewide executive candidates file in-person with the Lieutenant Governor's office. All other candidates, regardless of whether they are multi- or single-county candidates, file in-person with the county clerk of their county of residence.

You must submit the forms listed below to declare candidacy. Your filing officer will make these forms available during the filing period. After you file the forms they will be posted on vote.utah.gov.

paperwork on your behalf.

What if I can't declare candidacy in person? (cont. from previous page)

How do I pay my filing fee?

Your signature must be notarized on the declaration of candidacy—your designated agent cannot sign for you. To file on your behalf, the designated agent must file your paperwork in-person with your filing officer during the declaration period. The designated agent must also use an electronic device that allows you and the filing officer to hear and see each other (e.g., Skype, Facetime).

Payment of filing fees to the Office of the Lieutenant Governor can be Ĭ made with all major credit cards, personal check, or cash (with exact change). You will want to contact your county clerk about acceptable payment methods, as they could vary.

Step 3: Attend your party's convention

UCA 20A-9-407

Which convention do I attend?

When are conventions held?

Are there other requirements?

If you are a candidate for a legislative or state board of education office that is located entirely within a single county, you will likely attend your party's county convention.

If you are a candidate for federal, statewide executive office, or multi-county legislative or state board of education office, you will likely attend your party's statewide convention. Each party may have different rules regarding convention attendance.

Reach out to your party leaders to inquire about convention if you are unsure about which convention to attend. Not sure if the district is multi-county or single-county? See page 43.

County conventions are typically held between late March and mid-April. State conventions are typically held in late April after the county conventions. Contact your party (refer to <u>page 5</u>) to determine the exact date of your convention.

Your party's constitution or bylaws may require you to perform additional steps to gualify for the convention. You should contact your party (refer to page 5) to determine if any additional steps exist.

Partisan Candidates

Gathering Signatures Path

<u>UCA 20A-9-201, UCA 20A-9-202, UCA 20A-9-406, UCA 20A-9-408, UCA 20A-9-408.5, UCA 20A-9-409</u>

Gathering voters' signatures is one path partisan candidates can take to get their name on the primary election ballot. If you select this path, you must complete 5 steps:

- 1. Determine your signature requirement (continue reading this page).
- 2. Declare intent to gather signatures between January 2, 2020 and 5:00 p.m. on March 19, 2020 (page 12).
- 3. Begin gathering signatures (pages 12-14).
- 4. Declare candidacy between March 13, 2020 and 5:00 p.m. on March 19, 2020 (pages 14-15).
- 5. Submit petition signatures at least 2 weeks before your convention (pages 16-17).

Step 1: Determine your signature requirement

<u>UCA 20A-9-408</u>

How many signatures do I need to gather?

The number of signatures you need to gather depends on the office you are seeking. The table below outlines signature requirements.

Office	Valid Signatures Required
U.S. House of Representatives	7,000
Statewide Offices	28,000
State Senator	2,000
State House of Representatives	1,000
State Board of Education	The <i>lesser</i> of 2,000 registered voters permitted to vote in the Primary Election in the District, OR 3% of registered voters affiliated with the political party in the District.

Who can sign my petitions?

A good rule of thumb is to collect more signatures than what is required because not every signature you collect will be valid.

All signers must meet the following requirements in order for their signature to be considered valid:

- Registered to vote in Utah (or will be registered before the signature is verified by the election officer).
- Live in the district or area of the office you are seeking.
- Allowed to vote in your party's primary election.
- Did not sign a petition for another candidate running for the same office.

Step 2: Declare intent to gather signatures

<u>UCA 20A-9-408</u>

Before you begin to gather signatures, you must declare an intent to gather signatures. You may not collect any signatures before filing this notice. **Declaring your intent is not the same as declaring for candidacy.**

When do I declare my intent to gather signatures?

Where do I declare my intent?

How do I declare my intent?

You must declare your intent to gather signatures between January 2, 2020 and 5:00 p.m. on March 19, 2020. Late submissions cannot be accepted.

Federal and statewide executive office candidates file with the Lieutenant Governor's Office. All other candidates, regardless of whether they are multi- or single-county candidates, file with the county clerk of their county of residence.

You need to submit one form to declare your intent to gather signatures. Your filing officer will make this form available during the filing period. Your form will be posted on www.vote.utah.gov. There is no fee to declare your intent to gather signatures.

Once you submit your form, the filing officer will provide you with instructions and 3 documents to compile your petition packets:

- Petition cover sheet (Microsoft Word format)
- Petition signature sheet (PDF format)
- Petition verification sheet (PDF format)

Please note that these petition materials differ from those of unaffiliated candidate petitions. **Do not use unaffiliated candidate petitions.**

Step 3: Gather signatures

<u>UCA 20A-9-408</u>

You may begin gathering signatures after you file your declaration of intent to gather signatures. The first thing to do is compile your petition packets.

Barcodes on petition
materialsYou will notice there is a barcode on your petition packet materials. These unique
barcodes are linked to you, so do not use or share petition materials with other
campaigns or candidates.Printing, binding,
δ arranging petition
packetsYou are responsible for printing and binding your petition packets. They must be
bound across the top (long edge of paper) in at least 3 places using either staples or
spiral binding. Packets must be bound before they are circulated, and they cannot
be taken apart or rearranged once they are bound. Your packets may be rejected if
you do so.

Printing, binding, & arranging petition packets (cont.)

Petition packets must include 3 sheets and be arranged in the order below.

Cover Sheet

This indicates the office you are seeking, your name, party affiliation, and address. The Microsoft Word format will allow you to insert your photograph.

Each petition packet needs 1 cover sheet.

Signature Sheet

This is where voters will sign your petition. Voters provide their name, signature, address, and the date. They have the option of providing their age or birth date.

Each petition packet may have up to 50 signature sheets.

Verification Sheet

The person circulating the petition packet must complete this sheet. The circulator must count the number of signatures in the packet and sign. A packet must be circulated by only one person.

Each petition packet needs 1 verification sheet.

Any resident of Utah who is over 18 years of age may circulate a petition. They do not need to be registered to vote; however, the filing officer can better verify the circulator's age if they are registered to vote. If a circulator does not meet these requirements, the signatures they gathered are not valid.

Circulators must complete and sign the verification sheet of every petition packet they use to gather signatures. Circulators cannot sign the signature sheets of any petitions they circulate-they must sign a petition packet of another circulator if they wish to sign the petition.

Each petition packet must be used by only one circulator. If you have multiple circulators, they will each need one packet.

Petition circulators should receive permission from the appropriate entity or owner if they want to gather signatures in private and public areas.

Who can circulate petitions?

Responsibilities of petition circulators

	Partisan Candidates: Gathering Signatures Path
Paid signature gatherers	You can pay circulators to gather signatures. If you choose to do so, keep these rules in mind:
	 Gatherers cannot be paid based on the total number of signatures they collect.
	 Gatherers can be paid based on the total number of valid signatures they collect, an hourly rate, or any other legal method of payment.
	 Using companies that offer signature collection services is allowed, but they must follow all applicable state laws.
Volunteer signature gatherers	You can also use volunteers to gather signatures. Volunteers and their time do not qualify as campaign contributions. However, if volunteers are paid by a third party (e.g., a political action committee or corporation), this would be considered an in-kind contribution from the third party.
	i Refer to <u>page 29</u> for more information on in-kind contributions.
Registering petition signers to vote	If an individual wishes to sign your petition but is not registered to vote or affiliated with your party [*] , you may provide them with a registration form. Please ensure that the completed registration form is submitted to the appropriate county clerk <i>before</i> you submit the individual's petition signature.
	*Some parties do not require voters to register with their party in order to sign a

petition or vote in the party's primary. You will want to contact your party leadership to determine your party's policies on this matter.

County clerks cannot guarantee that a voter registration form will be processed prior to the petition signature.

Step 4: Declare candidacy

<u>UCA 20A-9-408.5</u>

All candidates must declare candidacy with their filing officer. Declaring candidacy is *not* the same as declaring your intent to gather signatures. If you choose to participate in your party's convention in addition to gathering signatures, you do not need to declare candidacy twice.

*Candidates for Lieutenant Governor will have different declaration dates. Refer to page 25 for more information about declaring for the office of Lieutenant Governor.

Federal and statewide constitutional candidates file in-person with the Lieutenant Governor's Office. All other candidates, regardless of whether they are multi- or single-county candidates, file in-person with the county clerk of their county of residence.

Step 5: Submit petition signatures for review

UCA 20A-9-408

When do I submit petition signatures?

Where do I submit petition signatures?

You must submit petition signatures no later than 2 weeks prior to your party's nominating convention-even if you are not participating in the convention process. The deadline will be extended to the following business day if the 2 week deadline falls on a weekend or holiday. You may submit petition signatures any time before this deadline.

You must also obtain the required number of signatures before you submit them for verification. For example, if you are required to obtain 1,000 signatures, you cannot submit any petition signatures until you have collected at least 1,000 signatures.

You are encouraged to submit your petition signatures earlier than the deadline. This will allow you to gather and submit more signatures if you fail to reach the required number of valid signatures with your first submission.

All federal, statewide executive office, and multi-county candidates must submit petition signatures to the Lieutenant Governor's Office. Single-county candidates must submit petition signatures to the county clerk.

Refer to page 43 for information about Single- and Multi-County Districts.

Partisan Candidates: Gathering Signatures Path

How do I submit petition signatures?

You or a designated agent must submit your petition signatures in-person and complete a petition submission form that includes the following information:

- Name and contact information.
- Estimated number of petition packets being submitted.
- Estimated number of signatures being submitted.
- You or your designated agent's signature.

After you submit this form and your petitions, the election official will provide a copy of the form. Keep this copy for your records.

Yes. You may submit additional petition signatures if it is before the deadline and you have not yet obtained the required number of signatures. The requirements to submit supplemental signatures are identical to those of your first submission.

Election officials will verify that each signer in your petition is qualified to sign (refer to <u>page 11</u> to read about these qualifications).

Election officials will also verify petitions in the order in which they are received. If your opponent submits their petition before you, election officials will verify your opponent's entire petition before yours.

A submission of supplemental signatures will be considered a new submission and will take its place at the bottom of the verification order.

Voters may only sign for one candidate per office. If a voter signs two separate candidate petitions for the same office, the candidate who submits the signature first will receive credit for the signature.

Election officials will verify your petition signatures until you meet the signature requirement.

The time required to verify your petition signatures will depend on the size of your petition and the number of petitions submitted before yours. Avoid submitting your petition near the deadline, as the number of submissions is expected to increase during that period of time.

Regardless of your petition size and submission date, election officials will complete the verification of your petition within 14 days after the signatures are submitted, OR, at least 1 day prior to your party's convention (13 days after the submission deadline)–whichever is earlier.

Once your petition signatures are verified, your election official will notify you within 1 business day whether you meet the signature requirement. If the signature verification process is still underway, you can check on your petition's status on the Lieutenant Governor's website, <u>vote.utah.gov</u>.

Unaffiliated Candidates

If you prefer not to participate in the political party process, you can run for office as an unaffiliated candidate. As an unaffiliated candidate, you are entitled to all the rights and subject to all the regulations and penalties of political party candidates. You will have your name printed on the ballot, but your name will be accompanied with a short explanation that you are not affiliated with a political party. Follow the 4 steps below to become an unaffiliated candidate:

- 1. Determine your signature requirement and obtain petition templates (continue reading this page).
- 2. Gather signatures (pages 19-20).
- 3. Submit signatures to county clerks for verification (page 20).
- 4. Submit the verified signatures and declare candidacy between March 13, 2020 and 5:00 p.m. on March 19, 2020 (pages 21-22).

Step 1: Determine your signature requirement and obtain petition template

UCA	20A-9-502	

How many signatures do I need to gather?	The number of signatures you need to gather depends on the office you are seeking. U.S. House, legislative, and state board of education candidates must gather signatures from at least 300 or 5% of registered voters within the district, whichever is less. If you are seeking statewide office, you will need to gather from at least 1,000 registered voters residing within the state.
Who can sign my petition?	A good rule of thumb is to collect more signatures than what is required because not every signature you collect will be valid.
	All signers must meet the following requirements in order for their signature to be considered valid:
	 Registered to vote in Utah (or will be registered before the signature is verified by the election officer).
	Live in the district or area of the office you are seeking.
	• Did not sign a petition for another unaffiliated candidate running for the same office.
Where can I obtain petition templates?	You can access the petition template form on the <u>vote.utah.gov</u> website or by clicking <u>here</u> . Refer to the next page to determine how to compile your petition packets.

Step 2: Gather signatures

<u>UCA 20A-9-502</u>

You may begin gathering signatures any time after the last regular General Election (November 6, 2018). Follow the steps below to do so:

Printing, binding, & arranging petition packets You are responsible for printing and binding your petition. It must be bound across the top (long edge of paper) in at least 3 places using either staples or spiral binding. The packet must be bound before it is circulated, and it cannot be taken apart or rearranged once it is bound. Your packet will be rejected if you do so.

The petition must include 2 sheets and be arranged in the order below:

Signature Sheet(s)

This is where voters will sign your petition. Voters provide their name, signature, and address. They have the option of providing their age or birth date.

The person circulating the petition packet must complete this sheet. The circulator must count the number of signatures in the packet and sign. A packet must be circulated by only one person.

Each petition packet needs 1 verification sheet.

Any resident of Utah who is over 18 years of age may circulate a petition. They do not need to be registered to vote; however, the county clerk can better verify the circulator's age if they are registered to vote. If a circulator does not meet these requirements, the signatures they gathered are not valid.

Circulators must complete and sign the verification sheet of every petition packet they use to gather signatures. Circulators cannot sign the signature sheets of any petitions they circulate-they must sign a petition packet of another circulator if they wish to sign the petition.

Each petition packet must be used by only 1 circulator. If you have multiple circulators, they will each need 1 packet.

Petition circulators should receive permission from the appropriate entity or owner if they want to gather signatures in private and public areas.

Who can circulate petitions?

Responsibilities of petition circulators

Volunteer signature gatherers

Registering petition signers to vote

You can also use volunteers to gather signatures. Volunteers and their time do not qualify as campaign contributions. However, if volunteers are paid by a third party (e.g., a political action committee or corporation), this would be considered an in-kind contribution from the third party.

Refer to page 29 for more information on in-kind contributions.

If an individual wishes to sign your petition but is not registered to vote, you may provide them with a registration form. Please ensure that the completed registration form is submitted to the appropriate county clerk before you submit the individual's petition signature.

County clerks cannot guarantee that a registration form will be processed prior to the petition signature.

Step 3: Submit signatures for verification

UCA 20A-9-502

Once you gather the required number of signatures, you must get the signatures verified by the county clerk.

This step must be done *before* you declare candidacy (step 4).

Where do I submit petition signatures for verification?

When do I submit signatures for verification?

Can I supplement my petition signatures?

How do I know if and when my signatures are verified?

Signatures must be verified by a **county clerk**-even if you are a federal, statewide executive office, or multi-county candidate. If you obtain signatures within multiple counties, you must submit a voter's signature to the voter's county clerk. It is advised that you circulate each petition or petition packet within one county so you can easily determine which signatures go to a particular county clerk.

The petition signatures must be verified before you declare candidacy between March 13, 2020 and 5:00 p.m. on March 19, 2020. Depending on the time of year and the number of signatures you collected, signature verification could take several days or weeks.

It is highly advised that you coordinate with the county clerks to ensure that clerks have enough time to verify the signatures before the end of the declaration period. Refer to page 42 for county clerk contact information.

Yes. If you continue to gather signatures after submitting a packet to a county clerk for verification, you may submit additional signatures. The procedure for doing this is exactly the same as described in steps 1-2. Again, please coordinate with the respective county clerk to ensure there is enough time to verify supplemental signatures before the end of the declaration period.

The county clerk will give the petition back to the candidate after verification.

Step 4: Submit the verified signatures & declare candidacy

UCA 20A-9-201, UCA 20A-9-206

After your petition signatures are verified, you must submit the verified signatures and declare candidacy with the appropriate filing officer.

*Candidates for Lieutenant Governor will have different declaration dates. Refer to page 25 for more information about declaring for the office of Lieutenant Governor.

Federal candidates and statewide constitutional offices submit signatures and file in-person with the Lieutenant Governor's Office. All other candidates can submit signatures and file in-person with the county clerk of their county of residence.

You must submit the following items and forms listed below to declare candidacy. Your forms, with the exception of the petition, will be posted on vote.utah.gov.

Lieutenant Governor Candidates

UCA 20A-9-201, 20A-9-202, 20A-9-504

The process of candidacy for lieutenant governor is different than other offices. One way that it is different is that candidates who previously declared for office in 2020 are allowed to **also** declare as candidate for lieutenant governor. If a candidate wishes to file a declaration of candidacy for lieutenant governor and they had previously declared for another office, they simply need to withdraw as a candidate for the other office that they previously declared candidacy.

Withdrawing as a candidate for office can be done by filing a written affidavit with your filing officer.

UCA 20A-11-101, UCA 20A-11-201, UCA 20A-11-301, UCA 20A-11-1301

If you are a statewide executive office candidate, a legislative candidate, or a state board of education candidate, opening a bank account for your campaign is one of the first things you must do. Utah law does not allow a statewide executive office, legislative or a state board of education candidate to use their personal OR business banking accounts for a campaign–a separate bank account that is only used for campaign purposes must be created and used for campaign finances. However, you are allowed to contribute money from your personal account to a campaign account. These contributions would need to be reported following the guidelines on <u>page 33</u>. This would be considered a contribution from yourself to your campaign.

Some banks require an Employer Identification Number (EIN) to open an account. The Lieutenant Governor's Office or your county clerk **cannot** provide this number. Refer to the IRS's website, <u>www.irs.gov</u>, for more information.

What is a contribution?

A contribution is generally anything of value that your campaign receives. The state does not place limits on contributions.

Utah Code <u>20A-11-101(6)</u> provides the legal definition of a contribution. Here are the 4 most common types:

- Money donations;
- Gifts;
- Loans (including ones from yourself); or
- In-kind services or donations

Every contribution your campaign receives must be reported, including contributions from your personal accounts. When reporting contributions, you must include the contribution's value, date, and the contributor's name and address.

Unpaid volunteers and goods or services that your campaign did not authorize or coordinate do not need to be reported.

Who can contribute to my campaign?

Individuals, corporations, political action committees (PAC), and political parties may contribute to your campaign.

If you receive a contribution from a PAC or political party, they may have additional requirements to file financial disclosure reports separate from yours. It is recommended that you notify these entities of this possible requirement to ensure they comply with the law and avoid fines.

Federal law prohibits any foreign nationals from making any contributions or expenditures in connection with any election. (Refer to the FEC's "Foreign Nationals" brochure for more information).

What is an in-kind contribution?

If your campaign receives anything of value that is not money, this is considered an in-kind contribution. Just like monetary donations, you must report all in-kind contributions to your campaign.

If your campaign receives an in-kind contribution, you are responsible for determining its value to report it. You can typically ask the contributor to provide an estimate of the market value of the service or product. For example, if a farmers' market typically charges \$100.00 for booth space but waived the fee for your campaign, you received a \$100.00 in-kind donation from the farmers' market for booth space.

It is recommended that in-kind contributions are reported at the time that the candidate benefits. If the value of the contribution is not known, it is advised that you report an approximate value and then amend it later if and when you become aware of a more precise value.

Although the in-kind amount is displayed on your online financial ledger and on your disclosure reports, it will not affect the balance of your financial ledger. For example, if you have a \$0.00 balance and add a \$100.00 in-kind contribution to your financial ledger, your balance will remain \$0.00. For more information about your financial ledger, refer to page 34.

No, each contribution received must be reported as a separate contribution. It is unlawful to aggregate-or combine-contributions, no matter how small they may be. Whether the contribution was \$1.00 or \$10,000.00, you must include the contributor's name and address as well as the contribution's value and date.

You cannot use a campaign contribution if it is from an anonymous source and greater than \$50.00. If you receive an anonymous contribution greater than \$50.00, you must transfer the money to the state, county, city or a 501(c)(3) non-profit organization.

Many candidates use pass-through entities to collect donations (such as PayPal, Act Blue, Square, or GoFundMe). When you report your contributions that come through an entity like this, report the original source of the contribution instead of the passthrough entity.

Pass-through entity example: Jane Doe contributes \$100 to your campaign using PayPal. Because you received the money from Jane Doe and not PayPal, you would report the contribution as received from Jane Doe.

A contribution is considered received when you:

- Deposit a check;
- Have the cash in hand: or
- Benefit from an in-kind contribution.

When to start & stop reporting finances

UCA 20A-11-104, UCA 20A-11-304

When do I start reporting my campaign finances?

When do I stop reporting my campaign finances?

How do I close my

accounts?

Once you declare candidacy, receive a contribution, or spend money on campaigning, you must begin reporting finances (even if you have not officially declared candidacy or your intent to gather signatures).

If you lose an election, resign from office, or no longer receive or spend campaign money, you have the option of closing your bank account and financial disclosure account. By closing your accounts, you will no longer need to report your campaign finances.

If you plan to run for office in the future, you can keep your campaign money and accounts, but you will be required to continue reporting your finances. If you close your accounts now but run again in the future, you must open a new bank account and disclosures.utah.gov account.

You must return or donate your remaining campaign funds to close your accounts. You may:

- Pay back any loans your campaign received (including loans you made to your own campaign);
- Return funds to contributors:
- Donate the funds to a candidate, political party, or political action committee (PAC); or
- Donate the funds to a 501(c)(3) organization.

Note: Refer to your bank for specific instructions to close your bank account.

To close your online financial disclosures account, follow these instructions:

1. Log in to www.disclosures.utah.gov. Ensure that your financial ledger is updated, your account balance is \$0.00, and you have filed the next upcoming report.

2. Return to the home page after updating your ledger. Click "My Folder" on the toolbar located on the left side of the screen.

3. You will notice three red links in the middle of the screen under "Actions." Click "Manage Folder."

4. In this new screen, click "Close Account." A pop-up will

appear and ask for confirmation. Read this carefully and then click "Submit."

Note: If the ledger balance is not \$0.00 or other reports need to be filed, you will be instructed to complete these tasks prior to closing the account.

Campaign Finance Penalties & Fines

If you fail to adhere to campaign finance and disclosure laws, you may face fines, criminal penalties, and disqualification from the election.

What if I file a report late?

This table outlines the penalties for filing a late report:

Report Name	Report Deadline	Fine/Penalty	Candidates who file
Convention	7 days before convention (11:59 p.m.)	\$100 fine	All partisan candidates
March 26th	March 26, 2020 (11:59 p.m.)	\$100 fine	*Nonpartisan legislative candidates only
May 15th	May 15, 2020 (11:59 p.m.)	\$100 fine	State board of education candidates only
Primary Election	June 23, 2020 (11:59 p.m.)	\$100 fine & potential disqualification*	All candidates
September 30th	September 30, 2020 (11:59 p.m.)	\$100 fine & potential disqualification*	All candidates
General Election	October 27, 2020 (11:59 p.m.)	\$100 fine & potential disqualification*	All candidates
Year-End	January 10, 2021 (11:59 p.m.)	\$100 fine	All candidates

*If you fail to file the Primary, September 30th, or General Election report, you will be fined and given a 24-hour grace period to file the report. If you do not file the report within this grace period, you will be disqualified from the election.

Separate from the deadlines and penalties listed in the table above, there are penalties for failing to report contributions within the 31 calendar days or 3 business day requirement (refer to pages 31-32) for more information on these requirements:

- 10% of each late contribution if it is reported within 60 days after the deadline
- 20% of each late contribution if it is reported more than 60 days after the deadline

Statewide executive, legislative, and state board of education candidates must pay fines through the Lieutenant Governor's Office. You may pay with a check (made payable to the State of Utah), or you can call the Lieutenant Governor's Office at 801-538-1041 to conduct a credit card transaction over the phone.

Statewide executive, legislative, and state board of education candidates are required to pay within 30 calendar days of receiving the fine. Failure to pay within this time frame may result in a class B misdemeanor.

If you fail to file, or the filed report contains errors, the lieutenant governor will notify the candidate of the issue within 5 business days of discovering the issue. If a corrected report is not submitted within 7 business days after receiving this notice, the candidate could be quilty of a class B misdemeanor, and violations may be reported to the Utah Attorney General.

Campaign Regulations

Utah law prohibits certain activities related to campaigning. Familiarize yourself with these laws to avoid possible legal issues, fines, and penalties. The laws listed below are some of the most common issues that arise during the campaign season, but this list is not all-inclusive. Refer to <u>Title 20A of the Utah State Code</u> for more information. To determine whether there are additional regulations for federal candidates, you should consult the appropriate federal agency.

Advertisements	If your campaign pays for any type of advertisement (e.g., mailers, TV, radio, newspaper, billboard, etc.), the advertisement must clearly state that your campaign authorized and paid for the advertisement.		
	If your campaign does not pay for an advertisement, but it is approved by your campaign, the advertisement must clearly state who paid for the advertisement and that your campaign authorized it.		
	 However, this requirement does not apply to certain campaign items such as: Lawn signs smaller than 4ft. by 8ft. in size; Bumper stickers; 		
	Campaign buttons, stickers, and pens; and		
	Items that are too small to conveniently print the disclaimer.		
Bribery	Any type of bribery is strictly prohibited by law. You cannot:		
	• Offer or promise an individual money, prizes, benefits, or employment to vote, refrain from voting, remain away from the polls, or receive political support.		
	 Offer or promise anything to other candidates to drop out of the race, stay in the race, or perform any other action. 		
	Pay for endorsements.		
	A person convicted of these offenses is guilty of a third degree felony.		
Campaigning near a polling location	When voting is taking place at a polling location, you are not allowed to campaign or electioneer on public property within 150 feet of the building. This includes wearing campaign or campaign-related shirts and buttons or displaying signs or bumper stickers. You also cannot interfere with voters or the administration of the polling place.		

Campaign signs	State election law does not prohibit you from placing campaign signs on public property with the exception of state rights-of-way (see next page), but a government or other public entity may prohibit it. Ask the appropriate public entity whether you may place signs on public property. If a public entity allows campaign signs on public property, all candidates must be allowed to place signs. You are not allowed to move, remove, tamper, or vandalize any campaign signs unless the sign is your own. It is a class B misdemeanor to do so.
	If you have permission from the property owner, you are allowed to place campaign signs on private property. Property owners can remove your signs without your consent and are not obligated to return the signs to you.
Campaign signs on public roadways	State and federal law prohibit campaign signs within state rights-of-way (Utah Code Section <u>72-7-102</u>). This includes all state highways, medians, road shoulders, sound walls, on-ramps, off-ramps, overpasses, and adjoining fence lines. Candidates are encouraged to place signs on private property with the consent of the property owner. The only restriction for signs on private property is that they must not block the view of oncoming traffic.
	If a campaign sign is placed within the state rights-of-way or poses a traffic hazard, it may be removed. Signs that have been removed will be stored by UDOT, and the sign owner may retrieve the signs for future use.
	A local government may allow campaign signs in its own rights-of-way. Please contact your local government for more information; regulations and restrictions vary among cities and counties.
	For more information about state sign regulations please email <u>OutdoorAdvertisingControl@udot.gov</u> , or call (801) 965-4209.
Names on the ballot	The order of candidates' names on the ballot is established by a random alphabet— the master ballot position list. The ballot position list will be determined after the declaration of candidacy period. The list will be posted on <u>vote.utah.gov</u> .
Poll watchers	Poll watchers are not required, but you may designate poll watchers. Poll watchers should register with the county clerk beforehand.
	Watchers are there to observe the voting and tabulation process. They are not there to interfere. Watchers may make written memos, but they cannot communicate the progress of the voting or counting in any way. Doing so will result in a third degree felony.
	Counties may make other rules regarding poll watching. Watchers may be required to surrender their cell phone or remain in a certain area of the room.
Using public email for political purposes	If you are a current office holder or work in the public sector (including public education), you cannot use your public entity email address for political or campaign-related purposes. The fine for the first offense is \$250. Fines for subsequent offenses are \$1,000 and over.

Withdrawing your candidacy or intent to gather signatures You may withdraw your candidacy or your declaration of intent to gather signatures by submitting a written affidavit to your filing officer. If you withdraw your intent to gather signatures, any signatures you submitted prior to withdrawal will not be verified.

Submitting ballots

Candidates or their campaigns cannot collect or submit mail ballots on behalf of voters. They can, however, give voters rides to polling locations.
