Phil's Policies

Economy

- Reduce or Eliminate the tax burden
- Lower state income tax!
- Manage Utah public land efficiently
- Manage Utah's energy resources

Education

- Respect the family's unique role
- Reject programs that exploit children
- Restore schools to their limited and proper role
- Respect teachers

Election Integrity

- Restore trust in the election system
- Increase voter participation
- Introduce measures to provide voter confidence

Immigration

- Nullify ICE regulations and support sheriffs
- End Sanctuary State Designation
- Facilitate Legal Immigration
- Stand against illegal immigration in Utah

Public Land Stewardship

- Transfer control of public land to the state
- Keep our backcountry roads open
- Maintain a Federal Natural Resources Policy

Energy Independence

- Help lead the nation in providing energy solutions
- Energy independence=financial independence

Write in PHIL LYMAN & NATALIE CLAWSON

Write in LYMAN For Governor

- The only truly conservative candidates for governor and lieutenant governor
- Standing up for Utah's caucus-convention system
- At the forefront of the election integrity battle — running as write-in candidates because Governor Cox & LG Henderson continue to obstruct access to the basic documents needed to verify Cox's ballot nomination and primary results
- Conservative policy platform includes solutions for housing, economic, education, and immigration issues
- Please see lymanforutah.com for more information, including a Write-in Q&A and our public statement offering to withdraw if we can verify Cox's place on the ballot and primary election results are legitimate

Spencer Cox (Globalist & Establishment Republican)	PHIL LYMAN (Conservative Republican)	Brian King (Democrat)
Presided over largest housing affordability crisis in Utah history	Will use the principles of free markets, limited regulation, & low taxes to make homes affordable	Supports increased government regulations to address housing problems
Grew state budget from \$21.7 billion to \$29.4 billion in 1st term	Committed to reducing the size of government, pushing back against federal overreach, & empowering county government; only "no" vote against Cox's 2024 budget	Voted in favor of Cox's 2024 budget
Fought for taxpayer funding for billionaires' sports team	Prioritizes Utah families over billionaires	Voted in favor of key hockey & baseball stadium bills in the legislature
Vetoed HB 11 that banned boys from playing girls' sports	Will protect our daughters, & all our children, from the woke agenda	Voted against HB 11, & its veto override, that protected girls sports
Grew tax burden to rival the most overtaxed blue states	Wants meaningful tax cuts that will ease Utah's tax burden	Wants progressive tax system (<i>higher earners pay a higher percentage</i>)
Masked our children for federal funding	Opposed COVID lockdowns & mandates	Supported mask mandates
Pushes globalist UN agendas in our schools & communities	Will return schools to their traditional role of teaching foundational academics	Wants to increase local control of schools & eliminate culture wars, but feels Republican policies (<i>banning pornography books</i>) are the problem
Made Utah a sanctuary state for illegal immigration	Will empower sheriffs & state to remove incentives for illegal immigration	Holds Democrat positions on immigration policy
Bought his way onto the ballot with 28,000 paid signatures	Official nominee of faithful & informed Republican delegates at State Convention- won 67% of vote over Cox's 33%	Used Democrat Party caucus/convention process to qualify for general election ballot
Introduced himself to middle schoolers using his pronouns	Believes in the inherent differences between men & women	Believes current leaders are targeting LGBTQ children
